

INSTITUTE OF INFORMATION TECHNOLOGY & MANAGEMENT

Notice No. 47

28-08-2018

Article Writing Competition

This is to inform all students that IITM is organizing an Article Writing Competition. All interested students are required to submit a well-written article (both hard and soft copies) on any of the topics listed below. One student may submit articles on more than one topic.

The length of the article should be no longer than 600 words. The originality and quality of the ten best articles will be suitably rewarded in the form of a cash prize worth INR 500 each.

The last date for submission is 04-09-2018. Submit hard copy to Mr. Virender Dahiya (Faculty, IITM) and mail soft copy to iitmfaculty8@gmail.com.

Topics

1. The emerging areas of communication technology
2. The importance of studying a management course
3. How to give an effective presentation
4. The significance of economics for a management executive
5. Blockchain technology: Daily life implications
6. Ride-hailing apps (Uber, Ola etc.): Bane or Boon?
