Environment and Community Services Committee

Notice No-49

Dated:29/08/2018

“GIVING WEEK”

NOT JUST A PIECE OF CLOTH

The Environment & Community Services (ECS) Committee of IITM is organizing a “Giving Week” from **30th August 2018 to 8th September 2018**. We shall be targeting the slums of West Delhi as well as the schools of special & deprived children. The idea is to provide the basic necessity of surviving- **Clothes**, to the deprived section of the society. By donating the used clothing, we shall be offering help to others who are perhaps less fortunate than us to get quality clothing at a lower cost. The clothes in usable conditions shall be a better contribution. Everyone is invited to support and work towards this noble cause.

Spare a minute, support with clothes!

For any **query/ assistance**, feel free to contact the undersigned.
