Cloud Literacy Day 2018

The IT department is organizing a one day event to celebrate Cloud Literacy Day 2018 in association with ICT Academy o enable students to learn cloud technology skills, ICT Academy in association with AWS Educate is conducting Cloud Literacy Month 2018 aiming at making its member institutions to organise a day long **CLOUD LITERACY DAY** within their institution. Cloud Literacy Day is intended to induce self-learning and introduce basic cloud technology skills to all students. The program is organised exclusively for all member institutions of ICT Academy across India, where the students learn the modules online through self-instructed videos and exercises and prove their cloud learning skills. By successfully completing the course, they will earn their first AWS Inventor Badge.

Students of all the courses are invited to join and be a part of the event.
