## Summer Internship Project (MS 201)

As per the syllabi of MBA (Paper Code – MS201), students of Semester II are to undergo summer training for Six to Eight Weeks in a company at the end of the second semester. On the completion of the summer training students are required to submit to the Institute a summer training report (in duplicate). Summer training report shall be of 100 marks and four credits. The supervisor in the organization under whose guidance the summer training is carried out will be required to grade the students' report in the format prescribed by the university (Summer Training Appraisal). Each student will be attached to an internal faculty guide with whom they shall be in continuous touch during their training period. Internal faculty guide will evaluate (out of 40 marks) the student based on the assessment report provided by the organization where the summer training has been completed and his/her assessment about the work done by the student. The evaluation of the remaining 60 marks is by an external examiner appointed by the university, who shall evaluate the report based on the presentation and assessment report of the organization.

Assessment by Internal Examiner 40%

Assessment by External Examiner 60%
