MEMORANDUM OF UNDERSTANDING (MoU)
Between
Institute of Information Technology & Management (IITM)
And
one.com India part of group.ONE

This Memorandum of Understanding (MoU) is made on this 20th day of July, 2023 by and between:

1. **Institute of Information Technology & Management (IITM)**, an educational institution located at Janakpuri, New Delhi, hereinafter referred to as "IITM".

AND

2. **one.com**, a leading provider of [cloud hosting and digital marketing services], with its principal office located at Gurugram, hereinafter referred to as "one.com".

Both parties collectively referred to as the "Parties" and individually as a "Party".

1. Objective

The objective of this MoU is to establish a long-term collaboration between IITM and One.com, wherein one.com will act as a **Knowledge Partner** to IITM. The collaboration will provide students, faculty, and the institution with access to training to bridge industry-academia gap, open-source software support, projects for learning opportunity, and other forms of knowledge sharing, with a focus on enhancing technical education and industry-academia interaction.

2. Scope of Collaboration

The scope of this partnership includes, but is not limited to, the following:

2.1 Industry Knowledge Partnership

- one.com will act as the industry knowledge Partner to IITM, contributing its industry expertise and technical know-how to the institution for the purpose of bridging the gap between industry and academia.

D-29, Institutional Area, Janakpuri, New Delhi-110058
Tel. 011-2852 5051, 2852 5802, 2852 0239
E-mail: director@iitmipu.ac.in, Website: www.iitmjanakpuri.com

Director
Institute of Information Technology &
Management New Delhi

- one.com will be invited to share insights on industry trends, technological advancements, and best practices to enhance the learning experience for students and faculty.

2.2 Software Support

- IITM has proposed and requested one.com to extend their technical guidance setting up a lab that helps students and faculty to embrace the open-source tech stack.
- The company has agreed to extend its support & guidance on request basis towards maintenance of the provided software to ensure its optimal use by students and faculty.

2.3 Projects for Students

- one.com will help the students gain live experiences with the help of industry projects, providing them with real-time exposure to practical scenarios and challenges.
- These projects will be integrated into the academic curriculum and will be assessed by both IITM faculty and representatives from one.com.

2.4 Training and Workshops

- one.com may organize training sessions, workshops, and seminars for IITM students on emerging technologies, industry standards, and skill development.
- Regular guest lectures and webinars may be conducted by experts from one.com to update students on the latest industry practices.
- Students may explore to purchase the domain & hosting for building up their profiles which shall not only enhance their digital presence but would also help them stand out in the crowd for better job opportunities.

2.5 Faculty Development Programs

- On request basis, one.com may conduct Faculty Development Programs (FDPs) for the teaching staff of IITM to help them stay updated with the latest technologies and teaching methodologies.
- These programs shall be aimed at enhancing the faculty's knowledge in cutting-edge areas of IT and management, ensuring that they can transfer this knowledge to students effectively.

Institute of Information Technology &
Management, IITM, Delhi

2.6 Placement Assistance

- one.com may extend support to IITM in terms of career counselling, internship opportunities and placement assistance.
- one.com may invite IITM students to participate in its recruitment processes, giving preference to eligible candidates for employment opportunities.

2.7 Research and Development Collaboration

- one.com may collaborate with IITM on research and development activities in fields of mutual interest, such as software development, data science, AI, web development & design, and more.
- Joint research initiatives, publications, and conferences may be undertaken as part of this collaboration.

3. Responsibilities of IITM

- Provide one.com with access to necessary infrastructure and facilities for conducting training, seminars, and live projects.
- Ensure active participation of students and faculty members in the initiatives offered by one.com.
- Acknowledge and promote one.com as an industry Partner in all related communication and promotional activities.

4. Responsibilities of one.com

- Provide continuous support, expertise, and resources as outlined in the scope of collaboration.
- Ensure timely execution of all commitments such as open-source software support, projects, and sessions.
- Work closely with IITM faculty and administrative teams to ensure a seamless and impactful knowledge transfer process.

5. Confidentiality

Both Parties agree to maintain the confidentiality of any proprietary or confidential information shared during the course of this MoU, unless prior written consent is obtained from the disclosing Party.

Management New Delhi

6. Duration and Termination

- This MoU shall remain in effect for a period of one year from the date of signing, unless terminated earlier by either Party.
- Either Party may terminate this MoU by giving 30 days written notice to the other Party.
- Upon termination, both Parties shall ensure the orderly conclusion of ongoing projects and initiatives.

7. Amendment

Any amendment or modification to this MoU must be made in writing and signed by authorized representatives of both Parties.

8. Dispute Resolution

In the event of any dispute arising under this MoU, the Parties agree to first attempt to resolve the matter amicably through mutual discussion. If the dispute remains unresolved, it shall be referred to arbitration in accordance with the provisions of the Arbitration and Conciliation Act, 1996. The arbitration shall be conducted in Delhi, and the courts of Delhi shall have exclusive jurisdiction over the matter.

9. General

- This MoU does not create a binding legal obligation on either Party beyond the scope of the activities outlined herein.
- Each Party shall bear its own costs and expenses incurred in relation to the execution of the responsibilities under this MoU.

IN WITNESS WHEREOF, the Parties hereto have executed this Memorandum of Understanding on the date first written above.
